

Diego Fernández Sumano

(+52)12288262351 difersum@gmail.com

Education

2007-2011	Bachelor in Mathematics Thesis: Cellular Automata and Category Theory	Universidad Nacional Autónoma de México
2012-2014	Master in Pure and Applied Logic Thesis: Substructural Logics and Residuated Lattices	Universidad de Barcelona
2015-2017*	Master in Applied Computing Thesis: Virtual Sensor Networks	Laboratorio Nacional de Informática Avanzada

Professional Experience

2014-2015	Instituto Galileo de Innovación Educativa (Galeleo Institute of Educative Innovation) Online lecture design in statistics for language analysis for basic education.
2016	Instituto del Juego (Game Institute) Serious Game Design and Development
2016-2017	Self-Employment Open-hardware based Data Loggers for Melipona Bee studying by INECOL (National Institute of Ecology)
2016-	LANIA-TecnoMotum Engine and Operator's Behavior Data Analysis, Data Challenge Design

Related Studies and Courses

European Summer School of Logic Language and Information, 2012
Certified in Literature, 2006-2008
Certified in Robotics, 2004

Software Skills

Programming	Python, Java, Hadoop, HTML, JavaScript, Arduino C
Operative Systems	Mac OSX, Linux (Raspbian, Ubuntu, Gentoo, Fedora), Windows (XP,7,8,10)

Languages

Spanish	First Language
English	Fluent
German	Basic
French	Basic

Awards

2009 First Place: Mexican Logic Olympiad (Olimpiada Mexicana de Lógica)

2010 First Place: Mexican Logic Olympiad (Olimpiada Mexicana de Lógica)

2012 First Place: Price for Socialization of Science (Premios para la Socialización de la Ciencia) ICyT (Technology and Science Institute)
